### **Physical Properties**

- Appearance: Transparent to light-colored liquid
  - Fragrance: Naturally mild, free from synthetic fragrances
  - pH: 5.5–6.5 (mildly acidic, close to natural scalp pH)
- 

### **Directions for Use**

- Apply an appropriate amount to wet hair and scalp.
  - Massage gently for 1–2 minutes to create a rich lather.
  - Rinse thoroughly with clean water.
  - Repeat if desired. Suitable for daily or regular use.
- 

### **Recommended Users**

- Individuals with mild to moderate hair thinning
  - People with sensitive, dry, or easily irritated scalps
  - Postpartum hair loss, seasonal shedding, stress-related hair loss
  - Consumers seeking sulfate-free, fragrance-free, gentle formulations
- 

### **Warnings**

- For external use only. Avoid contact with eyes. If contact occurs, rinse immediately with water.
  - Do not use if allergic to any of the listed ingredients.
  - Avoid use on broken, inflamed, or irritated scalp.
  - Discontinue use and consult a physician if irritation, redness, or discomfort occurs.
- 

### **Storage Conditions**

- Store in a cool, dry place away from direct sunlight.
  - Recommended storage temperature: 5°C – 30°C
  - Keep out of reach of children.
- 

### **Shelf Life**

- 36 months from the date of manufacture.
  - Recommended to use within 12 months after opening for best quality.
- 

### **Packaging Information**

- 400ml aluminum bottle
  - Packaging materials are recyclable and environmentally friendly
-

---

## Regulatory Compliance

- Complies with EU Cosmetics Regulation (EC) No 1223/2009
  - Complies with U.S. FDA cosmetic requirements
  - Cruelty-free (not tested on animals)
  - 100% vegan ingredients (no animal-derived content)
- 

## Dermatological Safety Statement

This product has been **dermatologically tested by Dermatest GmbH**.

An open epicutaneous test was conducted under dermatological supervision on 30 participants with different skin types, following international guidelines.

The results showed **“excellent” skin tolerance**, allowing the product to bear the **“Dermatologically tested” seal**.
